The "INLOGGEN" section contains:

- An input field labeled "Wachtwoord".
- A checkbox labeled "Remember me".
- A button labeled "Inloggen".

The "REGISTREREN" section contains:

- An input field labeled "Gebruikersnaam".
- An input field labeled "Wachtwoord".
- An input field labeled "Wachtwoord herhalen".
- An input field labeled "Functie".

The entire design is sketched in black ink on a white background, with rounded rectangular shapes used for input fields and buttons.
